Spiritual Response Technique (SRT)

Online Integrated (Basic & Adv.) Certificate Course

January 18 to February 10, 2027

(Mon. Wed. Fri. 3 hr. sessions)

Taught by **Malabika Shaw** Certified SRT Teacher since 2006

Spiritual Response Technique (SRT) is a course in the art of communicating with **Spirit** – the source intelligence of all that is. SRT is a conscious, living and growing system of healing guided by SPIRIT through our High Self.

This course covers all protocols and processes taught by Rev. Robert Detzler, from the mid-1980s until his passing in 2013. During his lifetime Robert continually received and shared downloads from Spirit with the community. This iteration of the course covers additional topics since received relevant to current expanded consciousness.

SRT focuses on the Soul's journey, the pathway the Soul chose to walk here on earth.

Foundational Principles of Spiritual Response

The first principle is: **"Ask and It Is Given."**Spirit is always listening. SRT teaches us how to ask with clarity and specificity. Spirit shows us where our blocks are so we may uproot, release, shift, transform and alchemize them and create new pathways.

The second principle is:**"The Soul is in Charge."**Nothing happens in life that the soul is not aware of, or put there. SRT teaches how we may interpret the deeper signals.

The overarching third principle is **"There is no Separation."** Everything affects everything else. We pay attention to how our attention and beliefs impact the whole.

Learning to work with High Self, makes the adventure most exciting and rewarding.

Integrated Basic and Advanced SRT Certificate Course

This course covers all protocols and processes taught by Rev. Robert Detzler, the founder of SRT. It incorporates charts and materials channeled by Robert over three decades. Until his passing in 2013, Robert regularly received and shared downloads from Spirit, with the SRT community.

This iteration of the course covers additional topics relevant to current expanded consciousness. Upon completion you will get **Basic and Advanced SRT certificates**.
