Spiritual Response Therapy (SRT) Online Integrated Basic & Advanced Certificate Course July 8 to 31, 2024 (Mon. Wed. Fri. 3 hr. sessions)

Taught by **Malabika Shaw** Certified SRT Teacher since 2006

Spiritual Response Therapy (SRT) is a powerful guidance system for inner growth. It connects us to higher consciousness and teaches us to research the soul's Akashic records and remove discordant energies over lifetimes. SRT also accurately pinpoints what blocks us from accomplishing what the soul incarnated to offer humanity in this lifetime. It is a potent tool for transformation that enables us to live freely and fully.

Main aspects of learning Spiritual Response Therapy include:

- Understanding the nature of consciousness and how it is reflected in creation.
- Establishing a connection with the High Self at higher levels of consciousness and clearing the pathway of the soul's journey.
- Refining the art of asking based on the principle of 'Ask and You Shall Receive'. Identifying what to ask for with precision that allows for outcomes that can sustain.
- Learning to integrate with the New Paradigm of consciousness at Radiant Love.

A meticulous step by step protocol has been developed by Robert Detzler based on information and a set of charts that he channeled over 30 years. SRT is one of the most comprehensive and powerful energy healing modalities known to us today.

Online Integrated Basic and Advanced SRT Certificate Course:

Spiritual Response Association has laid out the curriculum and the minimum standards required to be certified as **Personal Practitioner** of SRT. The curriculum has two segments – Basic SRT and Advanced SRT. This course integrates both segments, ensures the minimum standards are met, and teaches application of SRT in multiple aspects of life. You will receive **Advanced SRT Certificates** upon completion.
