## Spiritual Response Therapy (SRT) Online Integrated Basic & Advanced Certificate Course September 13 to October 8, 2021 (Mon. Wed. Fri. 3 hr. sessions)

Taught by **Malabika Shaw** Certified SRT Teacher since 2006

Spiritual Response Therapy (SRT) is a powerful guidance system for inner growth. It connects us to higher consciousness and teaches us how to research soul records and remove discordant energies over lifetimes. It is one of the most potent tools of transformation and raising consciousness. It enables us to live more freely and fully.

Main aspects of learning Spiritual Response Therapy include:

- Understanding the nature of consciousness and how it is reflected in creation.
- Establishing a connection with the High Self at higher levels of consciousness and clearing the pathway of the soul's journey.
- Refining the art of asking based on the principle of 'Ask and You Shall Receive'. Identifying what to ask for with precision that allows for outcomes that can sustain.
- Learning to integrate with the New Paradigm at Radiant Love.

A meticulous step by step protocol has been developed by Robert Detzler based on information and a set of charts that he channeled over 30 years. SRT is one of the most comprehensive and powerful energy healing modalities known to us today.

### Online Integrated Basic and Advanced SRT Certificate Course:

Spiritual Response Association has laid out the curriculum and the minimum standards required to be certified as **Personal Practitioner** of SRT. The curriculum has two segments – Basic SRT and Advanced SRT. This course integrates both segments, ensures the minimum standards are met, and teaches application of SRT in multiple aspects of life. You will receive both **Basic and Advanced Certificates** upon completion.

Online classes are kept small for greater effectiveness, hence spots are made available on first come basis.
